OWNAT, THE REAL FOOD

At OWNAT, we are **truly passionate about pets** just like you and we are convinced that their condition of health revolves around natural food. We therefore prepare our recipes with **natural ingredients that include real fresh meat** whose nutritional content remains intact.

OWNAT ULTRA: ULTRA DIGESTIBILITY

With the best natural ingredients, high proportions of fresh meat and a limited amount of whole grains, we prepare our recipes by cooking them at a low temperature for an extended period of time in order to achieve the highest nutritional quality and exceptional digestibility.

Made with 30% fresh meat, containing proteins that have a high biological value (with all the essential amino acids) that are easier to digest, with an excellent flavour that enhances appetite.

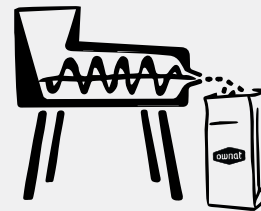

No corn, wheat or soy. Only rice, barley or oats in small quantities and always whole grain, acting as a source of fibre, vitamins and minerals.

3 OUR ^{secret} EXCLUSIVE *slow cooking* PROCESS

We select only the freshest and most natural ingredients with all of their nutritional value intact.

We slowly cook the ingredients at low temperature, in its own juice and in limited production batches, to retain the highest nutritional quality and achieve exceptional digestibility.

Finally, we make the kibbles with the right size and shape for each variety of cat and dog and then package them with all of their freshness.

- ✓ Highest respect for the original nutritional quality of the ingredients.
- ✓ Improved appetite.
- ✓ Increased digestibility and therefore the body's absorption of the nutrients.

MEDIUM LAMB & RICE

Made with 30% fresh lamb meat, it is particularly suitable for animals that have food sensitivities and intolerances.

COMPOSITION: Fresh lamb* (30% min. before cooking), dehydrated pork (11%), dehydrated potato* (8%), animal fat (preserved with natural antioxidants), dehydrated lamb (7%), whole-grain rice* (7%), whole peas* (7%), cassava roots* (4%), whole barley* (4%), carob pods* (3%), beet pulp, whole beans* (2%), hydrolysed animal protein (2%), fresh vegetables and fruits before cooking (apple* 1%, carrot* 0.5%, pumpkin 0.5%), brewer's yeast* (1%), salmon oil (preserved with natural antioxidants), linseed* (1%), dried egg* (0.5%), rock salt*, chicory roots (FOS)*, yeast extract (MOS), dehydrated marine algae* (500 mg/kg), glucosamine (500 mg/kg), yucca schidigera, chondroitin sulphate (100 mg/kg), cranberries* (100 mg/kg), green tea* (80 mg/kg), echinacea* (80 mg/kg), camomile flower* (80 mg/kg).

*Natural ingredients

FORMATS: 3 kg / 8 kg / 14 kg

MEDIUM ADULT

Complete and balanced dog food that ensures an optimal assimilation of the food thanks to the proteins that come from fresh meat and a balanced supply of dietary fibres to regulate gastrointestinal transit. It has been designed to cover the nutritional needs of medium-sized dog breeds in adulthood (between 1 and 7 years old) with a normal level of activity.

COMPOSITION: Dehydrated chicken (17%), fresh chicken* (15% min. before cooking), fresh turkey* (15% min. before cooking), whole peas* (9%), chicken fat (preserved with natural antioxidants), cassava roots* (8%), whole-grain rice* (7%), carob pods* (4%), dehydrated potato* (4%), whole barley* (3%), dehydrated salmon (2%), hydrolysed chicken protein (2%), fresh vegetables and fruits before cooking (apple* 1%, carrot* 0.5%, broccoli* 0.5%), beet pulp, brewer's yeast* (1%), linseed* (1%), salmon oil (preserved with natural antioxidants), dried egg* (0.5%), rock salt*, dehydrated alfalfa*, chicory roots (FOS)*, yeast extract (MOS), dehydrated marine algae* (500 mg/kg), glucosamine (500 mg/kg), yucca schidigera, chondroitin sulphate (100 mg/kg), cranberries* (100 mg/kg), green tea* (100 mg/kg), echinacea* (100 mg/kg), camomile flower* (100 mg/kg).

*Natural ingredients

FORMATS: 3 kg / 8 kg / 14 kg

MEDIUM JUNIOR

Suitable for puppies of medium-sized breeds from weaning until they are fully grown. This is a high-calorie dog food that is rich in proteins and helps promote muscle development. The balanced ratio of calcium and phosphorus also ensures the optimal development of bones and teeth.

COMPOSITION: Dehydrated chicken (18%), fresh chicken* (15% min. before cooking), fresh turkey* (15% min. before cooking), whole peas* (9%), chicken fat (preserved with natural antioxidants), dehydrated potato* (8%), whole-grain rice* (7%), cassava roots* (5%), whole barley* (3%), dehydrated salmon (2.5%), brewer's yeast*, hydrolysed chicken protein (2%), fresh vegetables and fruits before cooking (apple* 1%, carrot* 0.5%, pumpkin* 0.5%), dried egg* (1%), linseed* (1%), salmon oil (preserved with natural antioxidants), beet pulp, rock salt*, chicory roots (FOS)*, yeast extract (MOS), dehydrated marine algae* (500 mg/kg), glucosamine (500 mg/kg), yucca schidigera, chondroitin sulphate (100 mg/kg), cranberries* (100 mg/kg), green tea* (80 mg/kg), echinacea* (80 mg/kg), camomile flower* (80 mg/kg), fennel* (80 mg/kg).

*Natural ingredients

FORMATS: 1 kg / 3 kg / 14 kg

MEDIUM STERILIZED

Special food for sterilized, medium-sized dog breeds, which require less calories and are more prone to becoming overweight. Its composition helps to maintain an ideal weight by incorporating a low amount of fat while maintaining a high proportion of proteins in order to ensure an optimal body condition.

COMPOSITION: Fresh chicken* (15% min. before cooking), fresh turkey* (15% min. before cooking), dehydrated chicken (14%), dehydrated sweet potato* (8%), whole peas* (7%), whole-grain rice* (7%), dehydrated pork (5%), cassava roots* (4%), whole-grain oats* (4%), carob pods* (4%), chicken fat (preserved with natural antioxidants), whole beans* (2%), dehydrated salmon (2%), hydrolysed chicken protein (2%), fresh vegetables and fruits before cooking (apple* 1%, carrot* 0.5%, broccoli* 0.5%), brewer's yeast* (1%), dried egg* (1%), beet pulp, salmon oil (preserved with natural antioxidants), linseed* (1%), rock salt*, dehydrated alfalfa*, chicory roots (FOS)*, yeast extract (MOS), dehydrated marine algae* (500 mg/kg), glucosamine (500 mg/kg), yucca schidigera, chondroitin sulphate (100 mg/kg), cranberries* (100 mg/kg), green tea* (100 mg/kg), echinacea* (100 mg/kg), camomile flower* (100 mg/kg).

*Natural ingredients.

FORMATS: 3 kg / 14 kg

MAXI ADULT

Specifically designed to meet the nutritional needs of large dogs (26–28 kg and up). Its larger kibbles stimulate chewing and make the dogs eat more slowly.

COMPOSITION: Dehydrated chicken (18%), fresh chicken* (15% min. before cooking), fresh turkey* (15% min. before cooking), cassava roots* (8%), whole peas* (7%), whole-grain rice* (7%), chicken fat (preserved with natural antioxidants), whole beans* (4%), whole barley* (4%), dehydrated potato* (4%), hydrolysed chicken protein (2.5%), fresh vegetables and fruits before cooking (apple* 1%, carrot 0.5%, broccoli 0.5%), dehydrated pork (2%), brewer's yeast* (1%), beet pulp, carob pods* (1%), salmon oil (preserved with natural antioxidants), linseed* (1%), rock salt*, dehydrated alfalfa*, chicory roots (FOS)*, yeast extract (MOS), dehydrated marine algae* (500 mg/kg), glucosamine (500 mg/kg), yucca schidigera, chondroitin sulphate (100 mg/kg), cranberries* (100 mg/kg), green tea* (100 mg/kg), echinacea* (100 mg/kg), camomile flower* (100 mg/kg).

*Natural ingredients.

FORMATS: 3 kg / 14 kg

MINI ADULT

Complete and balanced dog food for adults of small breeds. It contains an optimal balance of proteins and fats to meet the high caloric needs of these breeds, while preventing them from becoming overweight. The shape and small size of the kibbles make it very appetizing and easy to eat.

COMPOSITION: Fresh chicken* (15% min. before cooking), fresh turkey* (15% min. before cooking), dehydrated chicken (12%), cassava roots* (9%), whole peas* (9%), chicken fat (preserved with natural antioxidants), whole-grain rice* (7%), dehydrated pork (5%), dehydrated potato* (4%), carob pods* (3%), whole barley* (2%), dehydrated salmon (2%), brewer's yeast* (2%), hydrolysed chicken protein (2%), fresh vegetables and fruits before cooking (apple* 1%, carrot* 0.5%, broccoli* 0.5%), beet pulp, linseed* (1%), salmon oil (preserved with natural antioxidants), dried egg* (0.5%), rock salt*, dehydrated alfalfa*, chicory roots (FOS)*, yeast extract (MOS), dehydrated marine algae* (500 mg/kg), glucosamine (500 mg/kg), yucca schidigera, chondroitin sulphate (100 mg/kg), cranberries* (100 mg/kg), green tea* (100 mg/kg), echinacea* (100 mg/kg), camomile flower* (100 mg/kg).

*Natural ingredients.

FORMATS: 1 kg / 3 kg

CHICKEN & RICE

A complete and balanced food for any cat breed in adulthood. Easy to digest and very appetizing, it has been formulated to ensure the proper functioning of the cat's body and to protect its urinary system. The size and shape of its kibbles make it appetizing and very easy to eat.

COMPOSITION: Fresh chicken* (30% min. before cooking), dehydrated chicken (18%), whole peas* (11%), dehydrated potato* (8%), whole-grain rice* (7%), chicken fat (preserved with natural antioxidants), cassava roots* (5%), dehydrated pork (3%), whole barley* (3%), brewer's yeast* (2%), hydrolysed chicken protein (2%), fresh vegetables and fruits before cooking (apple* 1%, carrot* 0.5%, pumpkin* 0.5%), linseed* (1%), salmon oil (preserved with natural antioxidants), rock salt*, chicory roots (FOS)*, yeast extract (MOS), dehydrated marine algae* (500 mg/kg), glucosamine (500 mg/kg), yucca schidigera, chondroitin sulphate (100 mg/kg), cranberries* (100 mg/kg), green tea* (80 mg/kg), echinacea* (80 mg/kg), camomile flower* (80 mg/kg), fennel* (80 mg/kg).

*Natural ingredients

FORMATS: 1.5 kg

MEDIUM LIGHT

Specially formulated for dogs with low activity levels or that are prone to being overweight. With a reduced fat content, it helps to recover and maintain their ideal weight, while also containing an elevated proportion of high-quality proteins that ensure good muscle tone and maintenance.

COMPOSITION: Fresh turkey* (30% min. before cooking), dehydrated chicken (12%), whole peas* (11%), dehydrated sweet potato* (10%), whole-grain rice* (7%), dehydrated pork (6%), whole-grain oats* (5%), carob pods* (5%), cassava roots* (3%), hydrolysed chicken protein (2.5%), beet pulp, brewer's yeast* (2%), fresh vegetables and fruits before cooking (apple* 1%, carrot* 0.5%, broccoli* 0.5%), linseed* (1%), salmon oil (preserved with natural antioxidants), rock salt*, dehydrated alfalfa*, chicory roots (FOS)*, yeast extract (MOS), dehydrated marine algae* (500 mg/kg), glucosamine (500 mg/kg), yucca schidigera, chondroitin sulphate (100 mg/kg), cranberries* (100 mg/kg), green tea* (100 mg/kg), echinacea* (100 mg/kg), camomile flower* (100 mg/kg).

*Natural ingredients

FORMATS: 3 kg / 14 kg

MAXI JUNIOR

Indicated for puppies of large breeds. It is high in calories and rich in proteins in order to promote healthy growth. The balanced ratio of calcium and phosphorus also ensures the optimal development of bones and teeth.

COMPOSITION: Fresh chicken* (15% min. before cooking), fresh turkey* (15% min. before cooking), dehydrated chicken (11%), dehydrated pork (10%), whole peas* (9%), dehydrated potato* (7%), whole-grain rice* (7%), chicken fat (preserved with natural antioxidants), cassava roots* (4%), whole barley* (3%), whole beans* (2%), dehydrated salmon (2%), hydrolysed chicken protein (2%), fresh vegetables and fruits before cooking (apple* 1%, carrot* 0.5%, pumpkin* 0.5%), brewer's yeast* (1%), linseed* (1%), dried egg* (1%), salmon oil (preserved with natural antioxidants), rock salt*, chicory roots (FOS)*, yeast extract (MOS), dehydrated marine algae* (500 mg/kg), glucosamine (500 mg/kg), yucca schidigera, chondroitin sulphate (100 mg/kg), cranberries* (100 mg/kg), green tea* (80 mg/kg), echinacea* (80 mg/kg), camomile flower* (80 mg/kg), fennel* (80 mg/kg).

*Natural ingredients

FORMATS: 3 kg / 14 kg

MINI JUNIOR

Puppies of small breeds undergo a very fast and intense development process. This dogfood has been specially formulated to be high in calories in order to meet the nutritional needs of these puppies until they reach adulthood. It is also suitable for pregnant female dogs and offers excellent results when used to wean puppies.

COMPOSITION: Fresh chicken* (15% min. before cooking), fresh turkey* (15% min. before cooking), dehydrated chicken (14%), chicken fat (preserved with natural antioxidants), whole peas* (8%), dehydrated sweet potato* (8%), whole-grain rice* (7%), cassava roots* (4%), dehydrated pork (4%), whole barley* (3%), dehydrated salmon (2.5%), brewer's yeast* (2%), hydrolysed animal protein (2%), dried egg* (2%), fresh vegetables and fruits before cooking (apple* 1%, carrot* 0.5%, pumpkin* 0.5%), linseed* (1%), salmon oil (preserved with natural antioxidants), rock salt*, chicory roots (FOS)*, yeast extract (MOS), dehydrated marine algae* (500 mg/kg), glucosamine (500 mg/kg), yucca schidigera, chondroitin sulphate (100 mg/kg), cranberries* (100 mg/kg), green tea* (80 mg/kg), echinacea* (80 mg/kg), camomile flower* (80 mg/kg), fennel* (80 mg/kg).

*Natural ingredients

FORMATS: 1 kg / 3 kg

STERILIZED

Sterilized cats require less calories and are more prone to becoming overweight. Our food helps to maintain an ideal weight by incorporating a low amount of fat while maintaining a high proportion of proteins to keep the muscles in good shape and ensure an optimal body condition.

COMPOSITION: Fresh turkey* (30% min. before cooking), dehydrated chicken (15%), whole peas* (11%), dehydrated sweet potato* (7%), whole-grain rice* (7%), chicken fat (preserved with natural antioxidants), whole-grain oats* (4%), dehydrated pork (4%), beet pulp, brewer's yeast* (3%), cassava roots* (3%), hydrolysed chicken protein (2%), fresh vegetables and fruits before cooking (apple* 1%, carrot* 0.5%, broccoli* 0.5%), linseed* (1%), salmon oil (preserved with natural antioxidants), rock salt*, chicory roots (FOS)*, yeast extract (MOS), dehydrated marine algae* (500 mg/kg), glucosamine (500 mg/kg), yucca schidigera, chondroitin sulphate (100 mg/kg), cranberries* (100 mg/kg), green tea* (80 mg/kg), echinacea* (80 mg/kg), camomile flower* (80 mg/kg), fennel* (80 mg/kg).
