EN Our passion for light and design – now extended to outdoor spaces!

Our team's primary goal is to create something new, unique, and exciting from both technological and aesthetic perspectives. This year, we are opening a new chapter: presenting our very first collection of outdoor lighting, designed with the same dedication as our indoor and lighting products.

Our mission goes beyond selling lamps; we aim to inspire and set trends. Our uniquely designed lamps are meant to make outdoor spaces truly special with practical, energy-efficient, and trendsetting solutions.

HU Szenvedélyünk a fény és a design – most a kültéri terek számára is!

Csapatunk legfőbb törekvése, hogy mind technológiai, mind esztétikai szempontból újat, egyedit és izgalmasat alkossunk. Idén egy új fejezetet nyitunk: bemutatjuk első saját tervezésű kültéri lámpakollekciónkat, amely ugyanazzal az elkötelezettséggel készült, mint beltéri és fényforrás termékeink.

Küldetésünk nem csupán az, hogy lámpákat értékesítsünk, hanem hogy inspiráljunk és stílust teremtsünk. Az egyedi tervezésű lámpáink célja, hogy a kültéri terek is igazán különlegesek legyenek – praktikus, energiatakarékos és trendkövető megoldásokkal.

DE Unsere Leidenschaft für Licht und Design – jetzt auch für Außenbereiche!

Das Hauptziel unseres Teams ist es, sowohl aus technologischer als auch aus ästhetischer Sicht neues, einzigartiges, und aufregendes zu schaffen. Dieses Jahr eröffnen wir ein neues Kapitel: wir präsentieren unsere allererste Kollektion an Außenleuchten, die mit derselben Hingabe entworfen wurde wie unsere Innenbeleuchtungs- und Lichtquellen Produkte.

Unsere Mission geht über den Verkauf von Lampen hinaus; wir möchten inspirieren und Trends setzen. Unsere einzigartig gestalteten Lampen sollen Außenbereiche wirklich besonders machen – mit praktischen, energieeffizienten und trendbewussten Lösungen.

DESIGNED BY RABALUX

EN We are delighted to present our first collection of self-designed outdoor lighting - the CUBBINGTON range - which we hope will inspire our customers and partners as much as our existing products.

Our new outdoor collection has been created with a focus on combining technological innovation with design. Each luminaire is designed to go beyond light to become an integral part of outdoor spaces, adding style and unique character.

HU Örömmel mutatjuk be első saját tervezésű kültéri lámpakollekciónkat – a CUBBINGTON lámpacsaládot - amely reményeink szerint ugyanúgy inspirálni fogja vásárlóinkat és partnereinket, mint eddigi termékeink.

Új kültéri kollekciónk megalkotása során a technológiai újítások és a formatervezés ötvözésére helyeztük a hangsúlyt. Minden egyes lámpa célja, hogy a fényen túl a kültéri terek szerves részévé váljon, stílust és egyedi karaktert adva azoknak.

DE Wir freuen uns, unsere erste selbst entworfene Kollektion von Außenleuchten vorzustellen - die CUBBINGTON-Reihe - von der wir hoffen, dass sie unsere Kunden und Partner genauso inspirieren wird wie unsere bestehenden Produkte.

Bei der Entwicklung unserer neuen Kollektion für den Außenbereich lag der Schwerpunkt auf der Kombination von technologischer Innovation und Design. Jede Lampe ist so konzipiert, dass sie nicht nur Licht spendet, sondern ein integraler Bestandteil des Außenbereichs wird und ihm Stil und einzigartigen Charakter verleiht.

DESIGNED BY RABALUX

EN Lighting is not just a function but a defining element of a space's atmosphere and character. This principle guided the design process of the Cubbington product line, where modern design, functionality, and creativity converge.

This uniquely designed outdoor lighting collection is based on the pure aesthetics of geometric shapes, combining a cube and a rectangular prism to create a simple yet powerful visual impact. The constructivist style highlights clean lines and structural stability while its elegant appearance makes it a perfect fit for the exterior spaces of modern, minimalist homes.

HU A világítás nem csupán funkció, hanem a tér hangulatának és karakterének meghatározó eleme. A Cubbington termékcsalád megalkotásakor ez az elv vezérelte a tervezési folyamatot, amely során a modern design, a funkcionalitás és a kreativitás találkozott.

Ez az egyedi tervezésű kültéri lámpacsalád a geometrikus formák tiszta esztétikájára épül, ötvözve egy kockát és egy hasábot, így egyszerű, mégis erőteljes vizuális hatást kelt. A konstruktivista stílus kiemeli a letisztult vonalakat és a szerkezet stabilitását, miközben elegáns megjelenésével tökéletesen illeszkedik a modern, minimalista otthonok külső tereibe.

DE Beleuchtung ist nicht nur eine Funktion, sondern ein prägendes Element für die Atmosphäre und den Charakter eines Raumes. Dieses Prinzip leitete den Designprozess der Cubbington-Produktlinie, bei der modernes Design, Funktionalität und Kreativität aufeinandertreffen.

Diese einzigartig gestaltete Außenleuchten-Kollektion basiert auf der klaren Ästhetik geometrischer Formen, bei der ein Würfel und ein Quader kombiniert werden, um eine einfache, aber kraftvolle visuelle Wirkung zu erzielen. Der konstruktivistische Stil betont klare Linien und strukturelle Stabilität, während das elegante Erscheinungsbild perfekt zu den Außenbereichen moderner, minimalistischer Häuser passt.

DESIGNED BY RABALUX

EN The rotating head of the Cubbington lamp allows users to fully customize the direction of the light, offering both direct and indirect lighting options. This flexibility makes the lamp an ideal choice for illuminating various outdoor spaces such as gardens, pathways, or patios. The black color suggests elegance, while the high lumen value ensures that every detail is well lit in the surrounding environment.

The product family consists of three pieces: two wall lamps and one unique, specially designed floor lamp. The wall lamps can be mounted both horizontally and vertically, offering additional options to create a customized look.

The design of the Cubbington lamps is protected by a Rábalux patent, making these products exclusively available in our collection. This distinctive range provides not only a practical lighting solution but also becomes a defining, dynamic, and decorative element in your outdoor spaces, elevating the style and atmosphere to a new level.

HU A Cubbington lámpafejének forgathatósága lehetővé teszi, hogy a felhasználók teljes mértékben személyre szabják a fény irányát, ezzel biztosítva mind a direkt, mind az indirekt világítás lehetőségét. Ez a rugalmasság ideális választássá teszi a lámpát különböző kültéri helyszínek – kertek, ösvények vagy teraszok – megvilágítására. A fekete szín eleganciát sugall, míg a magas lumenérték gondoskodik arról, hogy minden részlet jól látható legyen a környezetben.

A termékcsalád három tagból áll: két fali lámpából és egy különleges, egyedi megjelenésű állólámpából. A fali lámpák horizontálisan és vertikálisan is felszerelhetők, így további lehetőségeket kínálnak az egyedi megjelenés kialakításához.

A Cubbington lámpák formatervezése Rábalux védett formaoltalom alatt áll, így ezeket a termékeket kizárólag nálunk találhatja meg. Ez az egyedi kollekció nemcsak praktikus világítási megoldást nyújt, hanem kültéri terei meghatározó, dinamikus és dekoratív elemévé is válik, új szintre emelve azok stílusát és hangulatát.

DE Der drehbare Lampenkopf der Cubbington-Lampe ermöglicht es den Nutzern, die Lichtrichtung vollständig anzupassen und sowohl direkte als auch indirekte Beleuchtungsoptionen zu bieten. Diese Flexibilität macht die Lampe zur idealen Wahl für die Beleuchtung verschiedener Außenbereiche wie Gärten, Wege oder Terrassen. Die schwarze Farbe vermittelt Eleganz, während der hohe Lumenwert dafür sorgt, dass jedes Detail in der Umgebung gut beleuchtet ist.

Die Produktfamilie besteht aus drei Teilen: zwei Wandleuchten und einer einzigartigen, speziell designten Stehlampe. Die Wandleuchten können sowohl horizontal als auch vertikal montiert werden, was zusätzliche Möglichkeiten bietet, einen individuellen Look zu gestalten.

Das Design der Cubbington-Lampen ist durch ein Rábalux-Patent geschützt, sodass diese Produkte ausschließlich in unserer Kollektion erhältlich sind. Diese einzigartige Reihe bietet nicht nur eine praktische Beleuchtungslösung, sondern wird auch zu einem prägende, dynamischen und dekorativen Element in Ihren Außenbereichen, das Stil und Atmosphäre auf ein neues Niveau hebt.

EXTRA FEATURES • EXTRA FUNKCIÓK • EXTRA FUNKTIONEN

Our SMART marked lights can be controlled via the TUYA app available on your smartphone or tablet. The app makes it simple and easy to change the colour temperature and brightness of the lamp, so you can quickly and easily adjust the light to the mood of the occasion during a garden party!

SMART jelöléssel ellátott lámpáink okostelefonon vagy táblagépén elérhető TUYA applikáción keresztül vezérelhetőek. Az alkalmazással egyszerűen és könnyedén változtatható a lámpa színhőmérséklete és fényereje, így egy kerti összejövetel közben egyszerűen és gyorsan az adott hangulathoz igazítható a lámpa fénye!

Unsere SMART-gekennzeichneten Leuchten können über die TUYA-App gesteuert werden, die auf Ihrem Smartphone oder Tablet verfügbar ist. Mit der App können Sie ganz einfach die Farbtemperatur und die Helligkeit der Lampe ändern. So können Sie das Licht bei einer Gartenparty schnell und einfach an die Stimmung des Anlasses anpassen!

Colour Temperature: LED lamps offer three options: cool, natural, and warm white. Adjustable colour temperature lamps allow you to adapt the light to your activity or mood. Warm white is ideal for relaxation, while cool white suits tasks requiring focus. CCT lamps let you adjust the colour temperature any time after installation, while DIP SWITCH lamps require selection before installation.

Színhőmérséklet: A LED lámpák három színhőmérsékletet kínálnak: hideg, természetes és meleg fehér. Az állítható színhőmérsékletű lámpák lehetővé teszik a fény hangulathoz vagy tevékenységhez igazítását. A meleg fehér relaxációhoz, a hideg fehér pedig koncentrációt igénylő feladatokhoz ideális. CCT lámpák esetén a színhőmérséklet utólag is állítható, míg DIP SWITCH lámpáknál ezt felszerelés előtt kell beállítani.

Farbtemperatur: LED-Lampen bieten drei Farbtemperaturen: kaltweiß, neutralweiß und warmweiß. Lampen mit einstellbarer Farbtemperatur ermöglichen die Anpassung des Lichts an Stimmung oder Aktivität. Warmweiß eignet sich für Entspannung, kaltweiß für Aufgaben, die Konzentration erfordern. Bei CCT-Lampen kann die Farbtemperatur nach der Installation angepasst werden, während sie bei DIP SWITCH-Lampen vor der Montage eingestellt werden muss.

RGB: RGB (Red-Green-Blue) lighting means that the lamp contains red, green, and blue chips, creating colourful mood lighting. This feature offers creative and unique lighting options and is perfect for creating special light shows.

RGB: Az RGB (Red-Green-Blue) világítás alatt azt értjük, hogy az adott lámpa vörös, zöld és kék chipeket tartalmaz, melyek színes hangulatvilágítást eredményeznek. Ez a funkció kreatív és egyedi megvilágítási lehetőségeket kínál, és alkalmas lehet különleges fényjátékok létrehozására.

RGB: RGB (Rot-Grün-Blau) Beleuchtung bedeutet, dass die Lampe rote, grüne und blaue Chips enthält, die eine farbenfrohe Stimmungsbeleuchtung erzeugen. Diese Funktion bietet kreative und einzigartige Beleuchtungsmöglichkeiten und eignet sich perfekt für spezielle Lichtspiele.

Dimming: Dimming refers to the ability to adjust the lamp's brightness. This can be done in a gradual or continuous manner, using various methods such as switches, touch controls, remote controls, or even apps.

Fényerő-szabályozás: A dimmelhetőség a lámpa fényerősségének változtatását jelenti. Ennek módja lehet fokozatos vagy folyamatos, valamint különböző módon történhet: kapcsolóval, érintéssel, távirányítóval, vagy akár applikációval

Dimmbarkeit: Dimmbarkeit bezeichnet die Möglichkeit, die Helligkeit der Lampe anzupassen. Dies kann stufenweise oder kontinuierlich erfolgen, und zwar auf unterschiedliche Weise: mit Schaltern, Berührung, Fernbedienung oder sogar per App.
